Student membership is available to real estate students of a local college. Membership is free of charge and allows students to receive information on DAOR classes, speakers/luncheons, weekly newsletters, and DAOR YPN (Young Professionals Networking) Events.

Membership is disqualified if student is licensed and belongs to a DAOR Designated Broker....in that case, student would be part of the Broker's membership calculation, and full membership would be made. Each fiscal year a confirmation email will be sent to student member to confirm and revoke continuing membership.

By my signature below, I acknowledge that I have read and understand the disqualification of student membership in DAOR and certify that the information given in this membership application is true and correct.
