

Open SUPRA iBox BT or iBox BT LE With your Apple or Andriod Device

How to Open a Bluetooth Keybox:

- Open Supra eKEY app on your phone - tap “**Obtain Key**”.
- Press up on the bottom of the keybox to turn on its Bluetooth.
- Wait for a red-purple light to flash on the Keybox lens – Bluetooth is now on
*If you are using an eKEY Fob, do not turn the Bluetooth on.
Instead, point the eKEY Fob at the keybox lens.
- Enter your 4-digit PIN.
- When eKEY app displays “Success!” press up to release the key container.

All Apple products must use an eKEY Fob to communicate with iBox BT key!

A. PRESS
