

# GREATER DAOR

## BENEFIT OUTREACH TRAINING

Greater DAOR's Benefit Trainee will come out to your office and teach you or your agents on Products and services received thru CRMLS, NAR, CAR & DAOR. We may teach one benefit per visit; via Zoom or in person. If it is an office outreach there should be a minimum of 15 agents attending. Please choose the Benefit(s) and tell us the date & time you wish to schedule. Once approved we will reach out to you.

**OFFICE NAME:** \_\_\_\_\_

**MEMBER NAME:** \_\_\_\_\_

BENEFIT:	DATE & TIME:
 <b>MLS TOUCH</b> - MLS access on the go. Discover your personally branded mobile MLS App, follow the real estate journey of your clients, send listings all with an app messaging.	_____
 <b>COULD AGENTS</b> - Discover cloud's MLS search (MLX), client customizable reports (CMA) & text messaging (STREAMS).	_____
 <b>HOME SNAP</b> - Real time MLS data to mobile, whether on the field or at the office. Agent- branded app, search by map, generate hot sheets and more.	_____
 <b>RPR</b> - Search detailed property and market information all across the US. Create and share branded reports and export mailing labels.	_____
 <b>ZIP FORMS</b> - Discover transactional management tools, along with listing and offer templates, e-signatures and Zip Forms on the go via mobile app.	_____
 <b>LION DESK</b> - Discover the #1 client relations manager (CRM) and utilize mass marketing content to stay connected with your clients.	_____
 <b>SHOWING TIME</b> - Request showing anytime, instant appointment confirmation via text, automated call, or mobile app. Automated link to help start generating requests.	_____
 <b>SYMBIUM</b> - Search a listing and instantly find out if it can accommodate an ADU or a business permit. Design a potential ADU to show your clients.	_____
 <b>SAFE SHOWING</b> - Set up an alarm when showing a listing or hosting an open house, if alarm is not turned on your emergency contacts will be notified. You may rate your client and capture an image for their profile.	_____
