

Open Supra iBox BT or iBox BT LE with your Smart Phone

How to Open a Bluetooth Keybox:

1. Open Supra eKEY app on your phone
2. Tap **“Obtain Key”**
3. Press up on bottom of keybox to turn on its Bluetooth.
4. Wait for red/purple light to flash on the Keybox lens - Bluetooth is now on
* If you are using an eKey Fob, do not turn on the Bluetooth on.
Instead, point the eKey Fob at the keybox lens.
5. Enter your 4-digit PIN
6. When app displays **“Success!”** press up to release the key container.

How to Open the Shackle:

1. Open Supra eKEY app on your phone
2. Tap **“Open Shackle”**
3. Press up on bottom of keybox to turn on its Bluetooth.
4. Enter the 4-digit shackle code
5. Choose the **Reason** for shackle release
6. Tap **“Begin”**
7. When app displays **“Success!”** press down on the top of the shackle and pull up.
