

BENEFIT TRAININGS

Greater DAOR's Benefit Trainee will come out to your office or join a zoom meeting to teach your agents on products and services received thru CRMLS, NAR, CAR & DAOR. We may teach one benefit per meeting. If it is an office outreach there should be a minimum of 10 agents attending. We also provide 15 min one on ones via zoom meetings or in person at the DAOR office. Please choose the benefit and tell us the date & time you wish to schedule. Once approved we will reach out to you.

BENEFITS WE CAN TRAIN ON:

MLS TOUCH:

Access on the Go! Discover your personally branded mobile MLS App, follow the real estate journey of your clients, and send listings all with an app.

CLOUD AGENTS:

Create reports, flyers, and presentations. Set up clients on auto emails, share listings via text and use Cloud MLX for an easy way to search.

HOMES PRO:

Real time MLS data on your mobile device, whether on the go or at the office. Search by maps, create CRMs and more.

REALTORS PROPERTY RESOURCE:

Search detailed property and market information all across the US. Create and share branded reports and export mailing labels.

ZIP FORMS:

Your online transaction management platform where you will find C.A.R forms, send e-signature packages and collaborate with your clients or agents.

LION DESK:

The Free CRM platform to help you stay in touch with all your contacts through auto drip campaigns, video calls and bulk text messages.

SHOWING TIME:

Scheduling software platform built to save you valuable time. Appointments are confirmed via text, automated call, or mobile app.

SYMBIUM:

Verify if your listing may accommodate an ADU, obtain permits to start build and contact vendors from one platform.

SAFE SHOWING:

Security app to capture an image of the client's face. If you don't press the "end showing button", your contacts will be notified of the exact location and time

BENEFIT OVERVIEW:

A quick overview of most of the benefits provided by all your platforms. From discounts to amusements parks to Docu Sign.
